DIAMOND SUITE WITH RIG SLIMLINE PATIO FEATURED

By combining the unique featured lines and ride over technology, the Duraflex Patio Door is the experts choice. 79mm from front to back this patio door will co-ordinate with both 65 and 70mm Diamond Suite. New beads and low line gasket emphasise the feature lines. A unique combination of design and value engineering that provides a cost-effective and secure solution to refurbishment or new build.

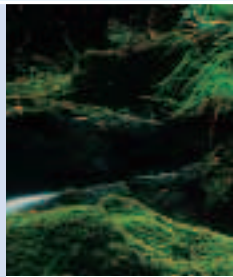

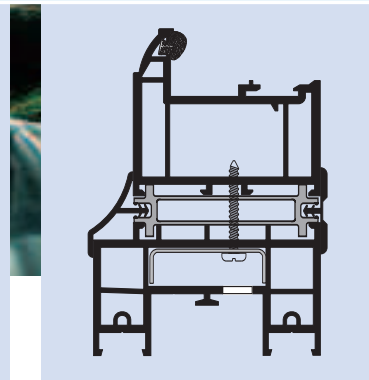

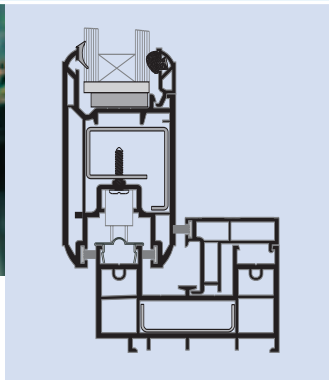

the natural choice
